## T.O.S.S. MONTHLY MEETING 7/29/2009

In attendance...

Gary Filice, Jim Pendergrass, Mike Stern, Bill Bertram, Lex Mierop, Jay Harland, Richard Mason, Bob Van Landingham, Steve Nichols, Don Northern, Bob Swet.

Bill gave an agenda, and action was taken on the issues.

A sign will be made up to be placed between the winch and the retriever that will say. Do you have your radio on, do you have you frequency tag, and is your receiver on. This is just an extra precaution along with the person standing in line waiting to launch that should ask those same questions.

Two contest are coming up on the ninth and 30<sup>th</sup> of Aug. volunteers are needed

for many different task for the contests. Contact Mike Stern if you can help out. Mike has a list of what is needed. ie tables, tarps, shades, computer, generator, power cords, score keepers,

The Hill Canyon property is a dead issue as of now. Bill received the forms from the City, and found it impossible to agree to the requirements of the request. If no other entity leases the land then we will try another tack.

Gary Filice will write an ad to put in the newspaper requesting any vacant land that might be used for our field. Bill is also going to look into using KVTA radio station to also put out the word to see if there is anyone out there that would be willing to let the club use there property, more to come on this.

A request was made to the real estate company that is handling the property on Terra Rejada (100 acres) to see if the owners would let us use that property. This is the old polo field that

was abandoned.

Bill and Gary will look into getting a place for our Club Dinner. Right now it is tentative for the end of Oct. If you have input call Bill or Gary
