Minutes of the Meeting Held 1/28/2015

In Attendance: Steve Miele, Bob Van Landingham, Gary Filice, Kyle Carmona, Bob Swet, Richard Mason, Mike Stern, Martin Usher, Don Northern

Treasurer's report, bank balance is \$4,428.60

Some members have not paid for this year's dues! Please remind the following individuals about paying their dues! NOTE: this data may not be current; please don't get upset if you have paid and are on this list, I am!

Bill Bertram, Craig Borstelmann, Barry Brenner, Tim Bullock, Carlos Carbajal, Art Chmielewski, John Ellias, Dave Freund, Bryan McCann, Andrew McKittrick, Art McNamee, Don McNamee, Steve Miele, Lex Mierop, Bill Nibley, Steve Nichols, Kyle Paulson, Jim Pendergrass, Gus Piangerelli, Mike Reagan, Joshua Roth, Michael Stern, John Stevenson, David Swain, Bob Swet, Andy Tiffin, Jeremy Tyler, Martin Usher, Bill Wible, Greg Wright, Ben Wright, Alfred Zepeda

Battery Chargers, and winch setups. So far the Schumacher chargers are working fine, and we will give another charger to Martin Usher. As for setups, as the nicer weather arrives, we should look at double setups for each weekend. This would require 6 members with winch setups to make the responsibility balanced.

Hand Launch clinic/contest – the International Hand Launch Glider Festival is coming up sometime in May (web site is not yet online) and some of us would like to experience a contest format to get some practice. The festival AND the clinic are open to all comers! We will try to keep you abreast of the dates and details for these events.

Sapwi Trails Park flying site update: *Discussed the tasks that might be needed to finish the site and making it ready for flying.

*We had our second meeting with

CRPD regarding the Memorandum of Understanding (MOU), discussing specifics involving the wording on flying restrictions and insurance concerns. There are a few issues that we are confident will be resolved to the satisfaction of both parties. CRPD Staff will present the finalized MOU and we hope a positive recommendation to allow TOSS the priveledge of a special use permit for the Westlake Upper Terrace.

Steve has access to a few AGM style,

sealed lead acid, 12V batteries (like the ones we use for our winches but smaller). These batteries are ideal for use when up on slope or at the field to recharge transmitter or receiver batteries. There will be a few more of these available at the next monthly meeting.

A variety of books on aviation and aeronautics, donated by Charles Babcock will be offered for sale for a nominal donation to the club. The books will be brought to the field on Sundays.

The TOSS website, www.tosoaring.com, needs new content. Please consider providing content in the way of an article, review of an airplane, component, flying site or pictures. If you have some input to the look and feel of the site please contact Steve or Martin with your ideas. Keep in mind that new members might need just a small "hook" to bring them on board.

Don Northern will contact Joe Nave at www.rcsoaring.com about changing the links on the RCSOARING web site so that folks who enter our site through RCSOAR-ING/CLUBS will see the regular TOSS website with pictures and links.

(Links are now correct —Martin)

This picture was mailed to me as study in concentration. or something.

(I have described this hobby to people as "Standing in a field for several hours staring into the sky".)
