## TOSS TShirts are Here

Our shirts arrived in time for the HLG contest. Each member gets a free shirt and there are some spares available at cost.

The pictures on the right were shot in poor artificial light and don't do justice to their true color. They're very yellow.

*Here's a few pictures from the HLG contest. Its not a very photogenic subject, though — you get bunches of planes on the ground or a widely spaced people on the field all staring into the air. Technique is best captured on video — many fliers seemed to be able to catch and relaunch in less than a second.*

February's contest was cancelled because of excessive wind but not before a few stalwarts managed to fly a couple of rounds. We've decided to publish these partial results and let the scores contribute to the yearly flier total.
