Presidents Notes

12-3-2009

First off I would like see, no I need all the members of T.O.S.S. to get there nominations for club officers to Steve Miele sjmiele@gmail.com as soon as possible, no later than Jan 1 2010. Remember if you would like to be one of the officers, nominate yourself.

Because of the small showing at the last meeting of the club, and because there will be no club meeting in Dec. I will hold a meeting on the field on Dec. 18th around 12:30 pm. Please try to set up your schedule to be there, the meeting will last ½ hour to 45 min. The main topics will be the nomination of Officers, safety, and club participation. Also if you want to pay your dues for 2010 we will be able to take care of that at the field.

I am waiting for Jan. 11 to find out the disposition of Santa Rosa Park, any one that is interested in participating at the meeting, let me know sultra19@verizon.net. I will let you know what, where, and when. We will be on the agenda but you can also be a public speaker. The Ventura County Parks Commission meets at the Ventura County Building, in Ventura off Victoria, the meeting usually starts at 3:00 PM but that has not been confirmed.

Looks like rain this Sunday but we should get some flying in, in the morning, Gary Filice had three motors rebuilt over the last two weeks, he has two short shaft and Andy Tiffin got his winch motor back, I had my long shaft motor rebuilt last month so the club is in good shape motor wise for a while, Thanks Gary.

Happy Holidays

Meeting began at 7:00PM

Welcome to the 10th TOSS meeting of 2009

Treasury Balance: \$418.93. (note: the balance is \$1000 reduced from last report because of the deposit placed on the club dinner venue.) Gary indicated that the clubhouse secretary didn't charge us for the clubhouse because we did such a good job of cleaning. Thanks to all of the members and their significant others for this effort.

Bill would like to have nominations for club officers completed by the January 2010 meeting at which time ratification of the nomination

There isn't a lot of new news to report this month.

Flying Site Acquisition News:

Bill continues to doggedly pursue a new flying site but there isn't anything new to report. We are all hopeful that the January 11 meeting of the Ventura County PAC (Park Advisory Commission) decides in our favor regarding the Hill Canyon park.
